Chief's Committee

McFee reiterated his position that the FDC was not necessary.

The issue of retirement benefits for the paid positions was brought up again, as well as whether the paid personnel should be moved to fire departments.

The paid staff present insisted that the FDC had never helped them.

Mike Laws concluded that there must be two personnel on shift at all times at all stations.

Physical fitness standard- Bodford thinks there should accommodations made for age. Henson and Laws agreed that there should be a longer time limit and suggested that firefighter skills requirement be added.

Barrier did not report on vaccinations.
