

Avery Firefighters Association

5 Mar 2020

Elk Park FD

Chief's Committee

The burn building was discussed. A location next to NVFD is being considered.

Chief Ellenburg led a discussion on the potential evacuation of cranberry house.

Newland FD ran an article in the paper about "what constitutes a true emergency."

Joe Shoupe had previously proposed that county paid staff be designated crew leaders for brush fires.

This matter was tabled due to Shoupe's absence.
